Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c. Guaranteed at W. C. Gaston's drug store.

Mrs. Lucinda Adams of three miles southeast of Marshall departed this life Wednesday at the advanced age of almost 87 years. Mrs. Adams was born and reared in Kentucky, but had been a resident of Saline county for over a half century. She was the mother of seven children—four sons and three daughters—but only her three daughters are living.

Makes a Clean Sweep.

There's nothing like doing a thing thoroughly. Of all the Salves you ever heard of Bucklin's Arnica Salve is the best. It sweeps away and cures Burns, Sores, Bruises, Cuts, Boils, Ulcers, Skin Eruptions and Piles. It's only 25c, and guaranteed to give satisfaction by W. C. Gaston, druggist.

A Little Girl Shot.

We learn from the Triplett Tribune that the little 4 year-old girl of Den Bowman of four miles northeast of Triplett was accidentally shot through the arm late Saturday evening by her 6-year-old sister.

It seems that Mr. Bowman had just returned home from Triplett, and had brought his children some candy. They were all standing around a table dividing the candy when the little girl that was shot pulled out a drawer in the table in which to place her candy, and her older sister, seeing a pistol which was in the drawer, picked it up and in some way pulled the trigger. When the weapon went off the little girl was standing so close to the revolver that it set her dress on fire. Her father, who was in the kitchen, rushed into the room upon hearing the report of the weapon and finding his little daughter's dress on fire tore it off of her to save her from being burned.

Fortunately for the little girl the ball did not strike the bone. It passed through the flesh of her arm, thence through a thick wall and then into the ground.

Dr. Brown was called in to dress the little girl's arm, after which she sang and played with her doll, and did not seem to suffer any pain from the wound.

Mr. Bowman gave the pistol to the doctor and told him to throw it into the creek as he returned home.

A Great Sensation.

There was a big sensation in Leesville, Ind., when W. H. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for Consumption. He writes: "I endured insufferable agonies from Asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of Consumption, Pneumonia, Bronchitis and Grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1. Guaranteed by W. C. Gaston, druggist. Trial bottles free.

Forest Green's Boom.

The hitherto unpretentious little village of Forest Green, has at last concluded to take on a boom, and to that end has laid off 20 acres of ground into town lots, several of which have been sold.

A bank, to be called the Farmers' bank of Forest Green, has also been organized with a capital stock of \$10,000, and will be doing business in its own brick building as soon as a suitable banking house can be erected.

The board of directors for the new bank is constituted as follows: L. J. Parks, Dr. G. W. Lawhorn, Wm. Bentley, Fred Gebhardt, Wm. Kothe and Wm. Renne.

J. J. Parks was elected president and Wm. Bentley was chosen as cashier.

All of the gentlemen connected with the bank are highly respected citizens of that community, and the fact that they are identified with it will inspire the fullest confidence and assure the success of the institution.

Mexican Mustang Liniment

Its Year of Jubilee has come.

Sixty years of faithful service to Man and Beast entitles it to

A GRAND DIAMOND JUBILEE

Your sires and grand sires used Mexican Mustang Liniment because it healed their hurts and cured the ills of their domestic animals. What Mexican Mustang Liniment did for mankind and brute kind 60 years ago it does to-day. It has always cured and always will cure any and everything that a good, honest liniment can cure.

All Sorts of Horse Flesh

are all subject to all sorts of Sprains, Bruises, Flesh Wounds and other ails. Owners know that Mexican Mustang Liniment is the most effective horse medicine that ever penetrated flesh. It is the best investment an animal owner could make.

It soaks down through the muscles.

No liniment can cure unless it penetrates the fevered and swollen muscles down to the roots of the trouble. Mexican Mustang Liniment penetrates thoroughly than anything that was ever created in a chemical laboratory. It is the deepest, most stubborn and most intense pain in man or beast can be reached by the use of this good old time-tried liniment.

Cures the hurts of anything that walks

If your horse has a stiff joint, a harness sore, a cut or bruise, Mexican Mustang Liniment will cure it. If your cow has a hurt, a caked udder or sore teats it will cure it and restore her to health and usefulness. If your poultry has roup, frozen rheumatism, scaly legs or any disease of the flesh or bones Mexican Mustang Liniment will cure them. What it has done in thousands, upon thousands of cases justifies these claims.

Two things needed in lameness.

What Lameness, Stiff Joints and other deep-seated ailments need more than anything else is Mexican Mustang Liniment. The next is plenty of rubbing. The liniment works the lameness away in through the tired and sore muscles to where pain begins and then the lameness disappears and the pain departs.

Three sizes. 25c., 50c. and \$1 a bottle. Sold everywhere.

FOR THE "RAINY DAY."

THERE is nothing so productive of "that contented feeling" as a block of interest-bearing gold bonds and dividend-paying stock, bought "Before the Rise." With every \$50 of stock in the Baby McKee Consolidated Mines Company you get a gold bond bearing 3 1-2 per cent interest, payable semi-annually, with interest and principal guaranteed by a trust company, with over a million dollars of assets.

The Baby McKee Company has expended over \$100,000 in developing its property, and places only a small amount of stock on the market for the purpose of erecting a concentrating plant.

Some of the wealthiest and most conservative capitalists in the country are stockholders. Every bank official of Cincinnati knows the men in this company.

You get 3 1-2 per cent on your gold bond, and we predict that you will get a good dividend on your stock within six months.

Write to-day for full particulars.
